

Odyssey - No wyld

Tom: **Bb**

(**Cm Gm Dm F**)

Never going back alone
Going back alone
Nowhere's left
Lost my home
Living, sleeping in the zone
Places where the dark is from
Going back alone
Never going back alone
Living, sleeping, in the zone

(**Cm Gm Dm F**)

Whisper to me quietly
Tell me where's the action
Fear lives inside of me
Move in no direction
Whisper to me quietly
Tell me where's the action
Fear lives inside of me
Move in no direction

(**Eb Gm Dm F**)

Living for my money
Funny how you nevvver found me, homie
Know me as a quiet lonely rapper
With a sharpened mind
Lined up at the barber
Father talking bout
There was a lotta trouble
Humble, rumble
Fall and fumble
Bless the old times
Waited for the money
Cars, houses
Prenups and divorces
Clean up, call that showbiz
(**Eb F**)
Is this really worth fighting for?
Yeah, when I'm selling tours

(**Cm Gm Dm F**)

Going back alone
Going back alone
No one's left, lost my home
Living, sleeping in the zone
Places where the dark is from
Going back alone
Never going back alone
Living, sleeping in the zone
Whisper to me quietly
Tell me where's the action
Fear lives inside of me
Move in no direction
Whisper to me quietly
Tell me where's the action
Fear lives inside of me
Move in no direction

(**Eb Gm Dm F**)

Never gonna go wrong with this one
You're dealing with a reckless mind
If you're not here to help me
Don't waste my fucking time
Hold up
Get up
No luck cause I feel I gotta fall sometimes
But I fight on my feet in the street for the dream
Oh lord, gotta live nine lives
Young rapper, no silver platter
Stop your stutter boy, smooth as butter
Frozen runner on a track made longer
By a verse that's sharp and a hook made stronger
I find I gotta work more, fight more, learn more
Boy I'll never change my mind
Grind till I'm through this, move these losers
I'll never hit rewind

(**Cm Gm Dm F**)

Never going back alone
Going back alone
No one's left, lost my home
Living, sleeping in the zone
Places where the dark is from
Going back alone
Never going back alone
Living, sleeping in the zone
Whisper to me quietly
Tell me where's the action
Fear lives inside of me
Move in no direction
Whisper to me quietly
Tell me where's the action
Fear lives inside of me
Move in no direction

Always on my own
Living in the zone
Always on my own
Living in the zone
I'm always on my own
I'm always on my own
I'm always on my own
I'm always on my own

(**Cm Gm Dm F**)

Never going back alone
Going back alone
No one's left, lost my home
Living, sleeping in the zone
Places where the dark is from
Going back alone
Never going back alone
Living, sleeping in the zone
Whisper to me quietly
Tell me where's the action
Fear lives inside of me
Move in no direction
Whisper to me quietly
Tell me where's the action
Fear lives inside of me
Move in no direction
