

Of Monsters and Men - Silhouettes

Tom: **D**

Bm **G** **D**
It's hard letting go
Bm **G** **D**
I'm finally at peace, but it feels wrong
Bm **G** **D**
Slow I'm getting up
Bm **G** **D**
My hands and feet are weaker than before

G **Bm**
And you are folded on the bed
A
Where I rest my head
Em
There's nothing I can see
G
Darkness becomes me

Bm
But I'm already there
A
I'm already there
Em
Wherever there is you
Bm
I will be there too
(**D G Bm G**)

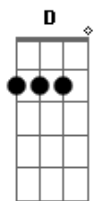

Bm **G** **D**
There's nothing that I'd take back
Bm **G** **D**
But it's hard to say there's nothing I regret
Bm
Cause when I sing, you shout
G
I breath out loud
D
You bleed, we crawl like animals
Bm **G** **D** **G**

But when it's over, I'm still awake

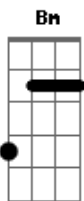

Bm **A**
A thousand silhouettes dancing on my chest
Em **G**
No matter where I sleep, you are haunting me
Bm
But I'm already there
A
I'm already there
Em
Wherever there is you
G
I will be there too
Bm
But I'm already there
A
I'm already there
Em
Wherever there is you
G
I will be there too
(**Bm A Em G Bm A Em**)

G **Bm**
Cause I'm already there
A
I'm already there
Em
Wherever there is you
G
I will be there too
Bm
I'm already there
A
I'm already there
Em
Wherever there is you
Bm **D G Bm D G Bm A D**
I will be there too
