We fall, we fall, we fall D Bm A D
                                                                Alone, until I get home
we fall to the ground
                                                                Alone, I fight these animals
Sleep, sleep all night
                                                                Alone, until I get home
while the young, they wait alone
So get up, shake the rust
                                                                Coming back, I'm coming back
We crawl, we crawl, we crawl
                                                                Coming back, I'm coming back
we crawl on the ground
                                                                She follows me into the woods
                                                                takes me home
Alone, I fight these animals
                                                                            Gbm
                                                                She follows me into the woods
Alone, until I get home
                                                                         D
