

Of Monsters and Men - Wars

```
Tom: D
How does it feel
Gbm E
To lie alone in your bed
When you know this is forever?
Low like the sun
 Gbm E
Come down and break into two
 D A
And I know we'll burn together
       Bm
Yeah, I love you on the weekends
       Gbm E
But I'm careless and I'm wicked
     Bm D
Yeah, I love you on the weekends
 A E
It's a cruel war
      Bm
I still have pieces of you stuck on me
Gbm E
Pieces of you stuck on me
   Bm
Yeah, I love you on the weekends
 A E
It's a cruel war
Cold, but you glow
    Gbm
Like the streets of Tokyo
It's alright, we can stay, lusting forever ${\tt Bm}$
Sinking stones, we don't know
  Gbm
What lies on the riverbed
Bm D
So we fall, no control
  Α
No, this can't be over yet
```
