

Of Monsters and Men - Winter Sound

Tom: **G**

Intro: **Em G**
Em G

Em **G**
Stop, You're cold against the skin
Em **G**
You take me in your arms when walls are closing in
Em **G**
And I run, I run, I run, awakening my heart
Em **G**
But you overwhelm my lungs, It's tearing me a-part

D
You and I will not be shaken!

C **G**
By the winter sound

D
But my voice is suffocating

C **G**
In the winter sound

Em **G**
Stop, I will take control
Em **G**
Bend the metal in-to shapes that I, know
Em **G**
And I run, I run, I run, further than before
Em **G**
I shake away the skin to saturate my, soul

D
You and I will not be shaken!

C **G**
By the winter sound

D
But my voice is suffocating

C **G**

In the winter sound

D
You and I will not be shaken!

C **G**
By the winter sound

D
But my voice is suffocating

C **G**
In the winter sound

Em
And you scream, you scratch, you bite

G
You prey on my heart

Em **G**
And I know that you and I can never be a-part

D
You and I will not be shaken!

C **G**
By the winter sound

D
But my voice is suffocating

C **G**
In the winter

D
You and I will not be shaken!

C **G**
By the winter sound

D
But my voice is suffocating

C **G**
In the winter sound
