

# Of Monsters and Men - Wolves Without Teeth

Tom: D

Open my chest and color the spine  
 I'm giving you up, I'm giving you up  
 Swallow my breath and take what is mine  
 I'm giving you up, I'm giving you up  
 I'll be the blood if you'll be the bones  
 I'm giving you up, I'm giving you up  
 So lift up my body and lose all control  
 I'm giving you up, I'm giving you up

You hover like a hummingbird, haunt me in my sleep  
 You say they're from another world sinking in my sea  
 Oh feeding on my energy, letting go of it  
 She won't sink

And I run from wolves, hoo ooh ooh  
 Breathing heavily at my feet  
 And I run from wolves, hoo ooh ooh  
 Tearing into me without teeth

I can see through you, we are the same  
 It's perfectly strange, you run in my veins  
 How can I keep you inside my lungs  
 I bleed what is yours, you bleed what is mine

You hover me like a hummingbird, haunt me in my sleep  
 You say they're from another world sinking in my sea  
 Oh feeding on my energy, letting go of it

He won't sink

And I run from wolves, hoo ooh ooh  
 Breathing heavily at my feet  
 And I run from wolves, hoo ooh ooh  
 Tearing into me without teeth  
 And you can follow  
 You can follow me  
 You can follow  
 You can follow me

You hover me like a hummingbird, haunt me in my sleep  
 You say they're from another world sinking in my sea  
 Oh feeding on my energy, letting go of it  
 She won't sink

And I run from wolves, hoo ooh ooh  
 Breathing heavily at my feet  
 And I run from wolves, hoo ooh ooh  
 Tearing into me without teeth  
 And you can follow  
 You can follow me  
 You can follow  
 You can follow me  
 And you can follow  
 You can follow me  
 You can follow  
 You can follow me
