

Of Monsters and Men - Wolves Without Teeth

Tom: D

Open my chest and color the spine
 I'm giving you up, I'm giving you up
 Swallow my breath and take what is mine
 I'm giving you up, I'm giving you up
 I'll be the blood if you'll be the bones
 I'm giving you up, I'm giving you up
 So lift up my body and lose all control
 I'm giving you up, I'm giving you up
 You hover like a hummingbird, haunt me in my sleep
 You say they're from another world sinking in my sea
 Oh feeding on my energy, letting go of it
 She won't sink
 And I run from wolves, hoo ooh ooh
 Breathing heavily at my feet
 And I run from wolves, hoo ooh ooh
 Tearing into me without teeth
 I can see through you, we are the same
 It's perfectly strange, you run in my veins
 How can I keep you inside my lungs
 I bleed what is yours, you bleed what is mine
 You hover me like a hummingbird, haunt me in my sleep
 You say they're from another world sinking in my sea
 Oh feeding on my energy, letting go of it

He won't sink
 And I run from wolves, hoo ooh ooh
 Breathing heavily at my feet
 And I run from wolves, hoo ooh ooh
 Tearing into me without teeth
 And you can follow
 You can follow me
 You can follow
 You can follow me
 You hover me like a hummingbird, haunt me in my sleep
 You say they're from another world sinking in my sea
 Oh feeding on my energy, letting go of it
 She won't sink
 And I run from wolves, hoo ooh ooh
 Breathing heavily at my feet
 And I run from wolves, hoo ooh ooh
 Tearing into me without teeth
 And you can follow
 You can follow me
 You can follow
 You can follow me
 And you can follow
 You can follow me
 You can follow
 You can follow me
