

Ofenbach - Head Shoulders Knees & Toes (feat. Quarterhead & Norma Jean Martine)

tom:
C

I feel it in my head, my shoulders, knees and toes

My bones
G

Your music gets me through the highs and lows
Am

My head, my shoulders, knees and toes
C

My bones
G

You're keeping me from feeling all alone
D

I've been praying to a thousand different stars
Am C

To a thousand different arms till I found you
G D

I've been chasing 'bout a thousand different hearts
Am C

For a thousand million hours, now I've found you
G D

My nights will never be the same, the same again
Am C

I've got you running through my veins
G D

I feel it in my head, my shoulders, knees and toes
Am C

My bones
G

Your music gets me through the highs and lows
Am

My head, my shoulders, knees and toes
C

My bones

You're keeping me from feeling all alone
G D Am C

You're keeping me from feeling all alone
G D Am C

Let me breathe you, take you down into my lungs
G D

While we're dancing to the song, now that I've found you
Am C

C You're a part of me, now I can't let you go
G D

You're the heartbeat in my soul, now that I've found you
Am C

My nights will never be the same, the same again
G D

I've got you running through my veins

I feel it in my head, my shoulders, knees and toes
