

# Offcase - Who I Really Am

Tom: Eb

(com acordes na forma de D )

Capostrate na 1ª casa

Intro: G D Bm A

I've been thinking about all the things I did  
The protagonist of my shit should be me  
I ain't lying  
I'm just trying to make me feel a little bit better

People saying bullshit that they don't even know  
It's so hard, but I am tired, I'll just let it go  
Now I'm stronger  
in this game I guess I know who is the winner

That's enough this show of hiding what I have inside  
I am taking off this social mask that lock me down  
Now I'm wiser, I decided to be

Who I really am, who I really am  
I need to live, I need to breathe  
Who I really am, Fight for me

Who I really am, who I really am  
I need to live, I need to breathe  
Who I really am, Fight for me

People saying bullshit that they don't even know  
It's so hard, but I am tired, I'll just let it go  
Now I'm stronger  
in this game I guess I know who is the winner

That's enough this show of hiding what I have inside  
I am taking off this social mask that lock me down  
Now I'm wiser, I decided to be

Who I really am, who I really am  
I need to live, I need to breathe  
Who I really am, Fight for me

Who I really am, who I really am  
I need to live, I need to breathe  
Who I really am, Fight for me

Solo Guitarra: (G D Bm A ) 2x

I can feel the freedom coming into me  
now I'm stronger, now I'm wiser  
Filling up my soul and giving what I need  
I decided I decided

I can feel the freedom coming into me  
now I'm stronger, now I'm wiser  
Filling up my soul and giving what I need  
I decided...

Who I really am, who I really am  
I need to live, I need to breathe  
Who I really am,  
(G D Bm A ) 2x  
Fight for me....

Who I really am, who I really am  
I need to live, I need to breathe  
Who I really am, Fight for me

Who I really am, who I really am  
I need to live, I need to breathe  
Who I really am, Fight for me  
(G D Bm A ) 2x  
Fight for me  
Fight for me.
