Tabbed by the brg JC	#chorus# x2 (brackets x3) =play x14
The Last Tabs sent in just didn't sound wright to play along with so I wrote	G D
some tabs myself which sound alot better to play along with. This is a really great song to play along with as you can	Ā - (- 9 9 5 - 5 7 - 7) 7 E - (5 - 5)
really get the feel for the music. Play this with a pick and lots of feeling. Here it is so lets go!	Play the main riff, verse and chorus.
