Lyrics: Leave it behind  
 Rage burns can't push it aside now  
 Can't forgive this grudge is alive now  
 All the rage eats you up inside  
 Can you leave it behind  
 What a surprise --  
 You're fucked with again Yeah  
 It's a way of life you need to get over  
 All the rage just eats you alive  
 Can you leave it behind  
 I don't know where it'll end  
 The sun has set  
 And I can't be friends  
 I don't know if I can forgive  
 The day is long  
 But you were so dead wrong

Beleza, essa música é muito loca, ofereço essa pro Kaueka, ele ama Offspring!!
