

# The Offspring - Secrets From The Underground

Tom: **G**

Afinação: **E<sub>b</sub> A<sub>b</sub> D<sub>b</sub> G<sub>b</sub> B<sub>b</sub>**

**E<sub>b</sub>**

**A<sub>m</sub>** **C**  
Feel the way it grows when the words have left the mark  
**G**  
With the promise of tomorrow,  
**D**  
That tricks and leaves you in the dark  
**A<sub>m</sub>**  
There's something in the air,  
**C**  
And there's something rising up  
**G**  
Not one but a million  
**E**  
That have had enough

Refrão:

**A<sub>m</sub>**  
Hey, oh, now  
**C**  
I'm not good at going away  
**G**  
I got something more to say  
**D**  
Kick it, screaming, It knocks you down, it knocks you down  
**A<sub>m</sub>**  
Hey oh, go,  
**C**  
Underneath I'll tear you down  
**G**  
Secrets from the underground,  
**E**  
Anger starts so far  
**A<sub>m</sub>**  
This is not an anthem ,  
**C**  
Or a threat in someone's name  
**G**  
But a promise that tomorrow  
**D**  
Will rock and burn, if things don't change  
**A<sub>m</sub>**  
There's something in the air,  
**C**  
And there's something rising up  
**G**

Not one but a million

**E**  
That have had enough!
