

# The Offspring - Self Esteem

Tom: **F**

Lala lalalala lalala?

Riff 1 - 2x e depois Riff 2

(Riff 2)  
I wrote her off for the tenth time today  
And practiced all the things I would say  
But she came over, I lost my nerve  
I took her back and made her desert

(Riff 3)  
Now I know I'm being used  
That's okay, man, cause I like the abuse  
I know she's playing with me  
But that's ok cause I got no self esteem

(Riff 1)  
Own en yeah yeah yeahh - 4x

(Riff 2)  
We make plans to go out at night  
I wait till 2 then I turn out the light

(Riff 3)  
All this rejection's got me so low  
If she keeps it up I just might tell her so

(Riff 1)  
Own en yeah yeah yeahh - 4x

(Riff 4)  
When she's saying, oh, that she wants only me  
Then I wonder why she sleeps with my friends  
When she's saying, oh, that I'm like a disease

Then I wonder how much more I can spend  
Well I guess, I should stick up for myself  
But I really think it's better this way  
The more you suffer, the more it shows you really care...  
Right? Yeah!

(Riff 2)  
Now I'll relate this a little bit  
That happens more than I'd like to admit  
Late at night she knocks on my door  
She's drunk again and looking to score

(Riff 3)  
Now I know I should say no  
But it's kind of hard when she's ready to go  
I may be dumb, but I'm not a dweeb  
I'm just a sucker with no self esteem

(Riff 1)  
Own en yeah yeah yeahh - 4x
