When the siren?s flash is gone
And we?re left to carry on

All the memories are to feel
When the pastor?s music plays
Gbm
And that casket rolls away
I could live again if you
Just stay alive for me

Finally,
Your final resting day
Is without me
                             [se quiser pode acompanhar com
I weep
                             a seqüência: Gbm A E B.]
And think of brighter days
What about me?
You can?t take back, the one mistake
That still lives on after life it takes
  Gbm
In that one day, that changed our lives
And bitter memories are left behind
