

Oficina G3 - Alive

Tom: C

Every day is a new day. I'm thankful for every breath I take
I won't take it for granted. So I learn from my mistake
It's beyond my control, some times it's best let go. Whatever happens
in this life time. So I trust in love. You have give me peace of mind

Refrão:

I feel so alive for the very first time. I can't deny you

I feel so alive

I feel so alive for the very first time. And I think I can fly

Sunshine upon my face. A new song for me to sing. Tell the world how I
fell inside. Even though it might cost me everything. Now there I know
this, so beyond, I can't hold this. I can never turn my back away. Now

That I've seen you. I can never look away

Solo: D F E C F

Now that I know you (I could never to my back away), now that I see you
(I could never look away). Now that I know you (I could never to my back away).
Now that I see you (I believe no matter what they say).
