

# Oh, Wassup Ju? - Us Against The World

Tom: E

(com acordes na forma de C)  
Capostrate na 4ª casa  
Intro: 2x: C Em

C Late night, watching the sky fall Em  
C It feels like, you and I, could have it all Em  
C We could rule the world  
F At least that's what I've been told

C Well I, I won't expect your call Em  
C But tonight we can write your names on the wall Em  
C Just take it slow, enjoy the ride  
F Am Don't need someone messing with my mind

(Tocar as próximas duas estrofes nas 4 cordas mais graves, exceto A7)

Em They say I should go away  
C You and I will never stay the same Em  
A7 But there's no one to blame

Em They say "he will never change  
C If he's in love, break the chains now" Em  
A7 I could leave this town

Em But they don't have to know  
C Oh, don't let them know  
Em A7 You're coming with me

Em If they ever see us  
C Will they ever be us?  
Em Could you tell me why  
A7 You're messing with my mind

Em There's is this place that we can drive  
C But baby, we don't have to hide  
Em Oh, I don't have much time  
A7 And we should just leave them behind

Em If they ever see us  
C Will they ever be us?  
Em Oh babe, we should go  
A7 And they will never know

Em C Em It's us against the world (4x)  
( C Em ) (2x)

C Em

Well I hope I don't fall for you  
C 'Cause you know all the say it's true Em  
C Should I trust this guy?  
F It echoes in my mind

C Oh babe, tell me  
Em Could you be sincere?  
C 'Cause I don't wanna end this up in tears Em  
C And if they're saying so  
F Then maybe I should go

C Em But we have our silly jokes  
C Em And that blue heart only we know  
C But if they're saying so  
F Then maybe we should go

Em They say I should go away  
C You and I will never stay the same Em  
A7 But there's no one to blame

Em They say "he will never change  
C If he's in love, break the chains now" Em  
A7 I could leave this town

Em But they don't have to know  
C Oh, don't let them know  
Em A7 You're coming with me

Em If they ever see us  
C Will they ever be us?  
Em Could you tell me why  
A7 You're messing with my mind

Em There's is this place that we can drive  
C But baby, we don't have to hide  
Em Oh, I don't have much time  
A7 And we should just leave them behind

( Em C Em A7 ) (2x)

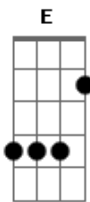

Em If they ever see us  
C Will they ever be us?  
Em Oh babe, we should go  
A7 And they will never know

Em C Em It's us against the world (4x)

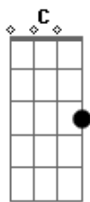

And babe I don't know what happens next  
 But in some months I maybe your ex  
 You'll write songs about me  
 I'll write songs about you  
 Is there something we can do to change this route?  
 And maybe I don't need a parachute after all  
 I'll just fall  
 And you'll catch me  
 Will you catch me?  
 If they ever see us  
 Will they ever be us?

Could you tell me why  
 You're messing with my mind  
 There's is this place that we can drive  
 But baby, we don't have to hide  
 Oh, I don't have much time  
 And we should just leave them behind  
 If they ever see us  
 Will they ever be us?  
 Oh babe, we should go  
 And they will never know  
 It's us against the world(4x)
