

# Oh Wonder - Don't You Worry

Intro: **A**

[Primeira Parte]

We walked the city streets at midnight when the world went quiet

**A**  
We skipped our dancing feet along beside the taxi rides

**Gbm D A**  
If I'm honest, it felt like love

**A**  
And all the beats fell in between the silence that we shared

**A**  
And all the trees were swaying softly in the thick black air

**Gbm D A**  
If I'm honest, it felt like love

A constellation so amazing, that we saw a spark
