

Oh Wonder - Heart Strings

Tom: E
Intro: Abm Abm
Abm Abm

E C#7sus4
Like two satellites in separate orbits
E C#7sus4
Like a quiet life that's slowly distorted
B7sus4# C#7sus4
I was so lonely in love
B7sus4# B7sus4
I guess I was never enough

E C#7sus4
Like two chemicals erupting in thunder
E C#7sus4
Up high in vertigo, you left me to wonder
B7sus4# C#7sus4
I was so lonely in love
B7sus4# B7sus4
I guess I was never enough

Amaj9
'Cause you were the best thing for me
Emaj9
Stole my mind and found my dreams
Amaj9 Gb
Baby, if only you could see heart strings, heart strings
B7sus4
Heart strings, heart strings
Amaj9
Best thing for me
Emaj9
Open the doors and set me free
Amaj9 Gb
Baby, if only you could see heart strings, heart strings
B7sus4
Heart strings, heart strings

E C#7sus4
Like two radios, our frequency fading
E C#7sus4
Why can't we start again without tessellating
B7sus4# C#7sus4
I was so lonely in love
B7sus4# B7sus4
I guess I was never enough

E C#7sus4
Like the afterglow, your words were a million
E C#7sus4
Cut short, now heaven knows a love without feeling
B7sus4# C#7sus4
I was so lonely in love

B7sus4# B7sus4
I guess I was never enough
