tom: Db

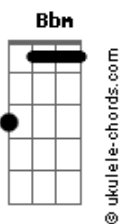

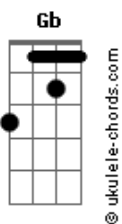

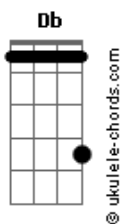

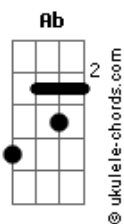

The minute you know there's a flicker Db Gb
 Bbm Ab
 The whole of the world loses shape
 Db Gb
 When all of your hopes are found in a person
 Bbm Ab
 Then all of your fears scatter away

Gb Ab
 And you both say: What the hell was my life before we met?
 Gb Ab
 And you both say: We'll be here, do or die, with no regrets
 Db Gb Bbm Ab
 And you both say: I'll be your lover forever
 Gb Ab
 Thick or thin, through it together
 Ab Db
 We'll be kicking the doors down
 Gb Bbm Ab Ab
 Kicking the doors down

Db Gb
 Then somehow you grow into an island
 Bbm Ab Ab
 You've patched all the holes, still you sink
 Db Gb
 The water will flow till you're drowning
 Bbm Ab Ab
 There's no one to hold, pushed to the brink

Gb Ab
 And you both say: Hell, I was doing fine before we met
 Gb Bbm Ab Ab
 And you both say: Why'd I waste all this time? You're so pathetic
 Gb Bbm Ab
 And you both say: I'm gonna give up, surrender

 A glimmer of gold in the grey
 Db Gb
 The space in your bed's getting bigger
 Bbm Ab
 There's a stack of regret where we let it all set to a fade
