

Oh Wonder - Nebraska

tom:

G

There's so many ways to say I love you

And I wouldn't wanna waste 'em

On someone who don't feel it too

G Am

So many ways to say I love you

Em C

I love you, I do

G Am

And there's so many ways to leave a person

Em

And I wouldn't wanna do 'em

C

But somehow you, you cut me loose

G Am

So many ways to leave a person

Em C

Can't do it to you

G Am

Been to Nebraska, I've been to Rome

Em C

I've walked the desert and swam below

G Am

Climbed many mountains, traveled the skies

Em C

I've been to heaven, oh, how I've tried

G Am

To get you out my mind, but you're still home

Em C

To get you out my mind, but you're still home

G Am

Can't get you out my mind 'cause you're still home

Em C

Can't get you out my mind 'cause you're still home

D

You're still home

G Am

There's so many ways to find a meaning

Em

And I wouldn't wanna chase 'em

C

Guess I'm okay, get by someday

G Am

So many ways to find a meaning

Em C

A reason to stay

G Am

And there's so many ways to say I need you

Em

But I wouldn't wanna waste 'em

C

On someone who don't feel it too

G Am

So many ways to say I need you

Em C

I need you, I do (ooh)
