

Oh Wonder - Whitout You

Tom: **D**
Intro: **G Em Bm D**
G Em Bm D

G
Step out into the sun
Em
Skies above they radiate me
Bm
Lift up, carry the love
D
Do you know?

G
That I've been out of my mind
Em
This slow life I'm waiting for you
Bm
To swing me all of your line
D
Do you know?

G
Since I've been walking solo
Em
Dreaming you were back home
Bm
Hifi getting down low
D
Hide until tomorrow

G
Come back into the good life
Em
Lose these hazy love lies
Bm
I've been chasing my mind
D
Lonely in the cold nights

G
Cause I'm kicking up stones without you
Em
Can't pick up the phone without you
Bm
I'm a little bit lost without you
D
Without you

G
And I'm digging down holes without you
Em
Can't be on my own without you
Bm
I'm a little bit lost without you
D
Without you

G
Step out into the dark
Em
Where were you when I was trying
