Am F G  
Am F Em C Em Am  
Em C Em Am

G Am F G  
With sadness in my heart and joy in my mind  
G Am F C  
I thought about the ghost that we left behind  
C Am F G  
With everyone around telling us what to do  
G Am F C  
With deafening sound whisper "I love you"  
C Am F G  
The fire in your eyes-- may it never go out  
G Am F C  
The sweetness of your tears make it feel like night  
C Am F G  
I see no escape from the roles we always play  
G Am F G  
What do we have to prove on this judgment day

Am F G  
You're mine now But you're not my sister  
Am F G  
You're mine now But you're not my slave  
Am F G  
You're mine But you're not my child  
Am F  
You're mine now But you're not my slave

Em C Em Am  
You're missing the whole point-- you're not my little pet  
Em C Em Am  
Don't throw away your life-- The games not over yet  
Em C Em Am  
I do not own your soul--don't want you in a cage  
Em C Em G  
I only want your heart to find a special place

G Am F G  
With sadness in my heart and clouds in my head  
G Am F C  
I thought about us both and the lives we led  
C Am F G  
The pages on a book and pictures on a screen  
G Am F C  
We shape ourselves like clay from someone else's dream  
C Am F G  
One second you are cast just like stones at my feet  
G Am F C  
But I am not a king please don't worship me  
G Am F G  
With everyone around telling us what to do  
G Am F  
With deafening sound whisper "I love you"
