Bm
Everybody knows that
Cadd9
Life is what you make of it
Bm
And now everything is perfect
Cadd9
But we're the ones who are struggling around

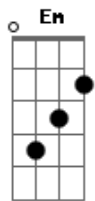

Bm
Soon it will be daybreak
Cadd9
People posing questions are aroused
Bm
When will you get married?
Cadd9
When will you go find a proper job?

Bm Am
But in this life
Bm
We might not know where we're going
Bm Bb Am
We try to say the words they want to hear
Bm Bb Am
But it's only a lie to bide the time
Am
Before we move on own

Bm
How do you explain that
Cadd9
This map that we've chosen is unmarked?
Bm
All we see is ocean
Cadd9
All directions are uncharted isles
