

# Ok Go - Its Tough To Have A Crush

Tom: **C**

This song is basically. D-A-G-A repeated

Rhythm:

**D** **A** **Gm** **A**

You can play them barre.. Or open chords. whatever fits your style best i guess....

Verse 1:

**D A Gm A**  
**D A Gm A**

Well it's **D** tough to have a **A** crush  
**Gm** **A**

When the boy doesn't feel the same way you do

Well it's **D** tough to have a **A** crush

When your **Gm** best friend breaks the **A** news

Perhaps you'll **D** find me feeling better  
**Em** **A**

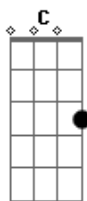

In a day or two

But it's **D** tough to have a **Gm** crush **A** On you **D**

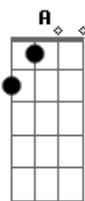

Assuming that for the **D**, you're barring, for the **D**,  
I just slide the index finger up a fret (x67776),  
and then slide up again higher to the **Em** .

thanks
