# Ok Go - Let Is Rain

Tom: C
Intro: Chords:

```
     C          Am          E        F
```

If that's too confusing just play the first 2 strokes on the
bottom part of the chord
the last ones on the upper part of the chord.

Main Riff
```
e----------------------------------------------------|
B----------------------------------------------------|
G--5-5-4-4-----4-4-2-2-----2-2-0-0-------------------|
D----------2-2---------2-2---------2-2-0-0-0h2-------|
A----------------------------------------------3-----|
E----------------------------------------------------|
                              -only played first time
```
through.
At one point another guitar play same riff just octave up.

Verse:

C Am E F - play like intro

Chorus:
Let it Rain, Let it Pour-

C Am E F

Stroke down chords slowly , listen to the song you'll
understand.

Interlude:
Hallelujah Part-

C Am E F

Just play them straight.
