

# Old Dogs - Runnin' Dog

Tom: F

Intro: Dm C Dm C Dm C Dm C

I've spent all my money  
With whiskey and guns, honey  
So i've got this train  
You won't hear from me again

I'll run fast to the last seat  
So they won't find me here  
Sheriff still looks for me  
I only wanted to abandon here

ponte:

The taxman follow me like a dragon  
I slipped through to the other wagon  
My pocket is full of gun powder  
This whole situation is out of order

Chorus (2x)

Runnin' dog, runnin' dog  
They'll catch me in the next stop  
Runnin' dog, runnin' dog  
I'll run away, i will be forgot

So i can't leave this fuckin' train  
I'm so nervous, can't control my brain  
Don't even have a ticket  
Only a cigar and a whiskey  
When i walk between the mountains  
Wind of night freezes me  
I know the sheriff is by my tail  
I want to avoid a cell in jail

Ponte:

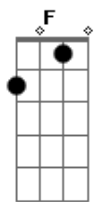

Finally, i have strenght to run away  
So I'll move, Don't want (P A U S A ) To stay in this place  
After buy myself a horse, gonna go to louisiana  
To finalize the plan, that's all i wanna

Chorus (2x)

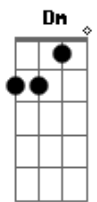

Runnin' dog, runnin' dog  
Don't wanna get caught in the next stop  
Runnin' dog, runnin' dog  
I'll fade away, i'll be dropped

FINAL: Dm - C (32 vezes)
