

Oliver Tree - Hurt

Tom: G

My day will come, I gave too much
 I sold my soul, I'm waiting for my pay in full
 I only want, your dying love, I've seen enough

I tried but, I don't think so, maybe it was me who was fucking up
 I gave all I could give but, it seems like it never really was enough

I feel left out, I don't see how
 My whole life can change in one week
 I don't mind my own reflection
 I don't see how, you've been let down
 Don't speak unless you have to
 Why you always seem in a bad mood?
 Your whole life you had an attitude
 One day, is that so bad for you?

I'm sorry if I hurt you, I'm sorry if it got that bad

I'm sorry I can't help you, somebody should've had your back

I tried but, I don't think so, maybe it was me who was fucking up
 I gave all I could give but, it seems like it never really was enough

I changed my, whole life when
 I learned to, ignore them
 I changed my, whole life up
 Maybe it was not enough
 I don't think I'm allowed to
 Make a deal with your selfish ways
 They're acting vicious out there
 There's lots of demons out here

I'm sorry if I hurt you, I'm sorry if it got that bad
 I'm sorry I can't help you, somebody should've had your back

I tried but, I don't think so, maybe it was me who was fucking up
 I gave all I could give but, it seems like it never really was enough
