

# Oliver Tree - Miracle Man

tom:

Em

Your whole life, ?I tried and now I?m getting older?  
Your whole life, ?I tried and now I?m getting closer?

Tell me what you want was it enough for you?  
Fcking up your life was it enough for you? No way  
Tell me what you want was it enough for you?  
Fcking up your life was it enough for you? No way

No, it?s what you wanted though  
Everything you told me, I don?t need to know  
It?s what you want to do  
Everything you ever could?ve wanted to do  
Don?t say it?s what you need, I?d say it?s what you wanted  
Don?t say it?s what you need, I?d say it?s what you wanted

Your whole life, ?I tried and now I?m getting older?  
Your whole life, ?I tried and now I?m getting closer?

Your whole life, ?I tried and now I?m getting closer?

Tell me what you want was it enough for you?  
Fcking up your life was it enough for you? No way  
Tell me what you want was it enough for you?  
Fcking up your life was it enough for you? No way

Here we go, barely though  
I?m not searching for a miracle  
Here we go, barely though  
I?m not searching for a miracle  
Here we go, barely though  
I?m not searching for a miracle  
Here we go, barely though  
I?m not searching for a miracle

Your whole life, ?I tried and now I?m getting older?  
Your whole life, ?I tried and now I?m getting closer?
