

# Oliver Tree - Sick of U (feat. BoyWithUke)

tom:

Am

Am F  
Things are better off this way  
C G  
Wish you never ever knew my name  
E Am F  
Wish I never said hi 'cause you got really cute eyes  
F C  
I don't wanna cut ties just to kiss your face  
E Am  
So things are better this way  
Am F C  
Get out of my brain, I'm out of my lane  
C  
I'm not playing this game  
E Am F  
I know I'll be fine, I can tell you tell lies  
F C G  
And I hope you don't mind that I turn away

[Refrão]

F  
'Cause you'll just do it again  
F C  
Dm  
And you'll fuck all my friends, and you'll just fuck with my head  
Dm Em F  
And I'm so done with the mess you left embedded in lead  
F C E  
I want you out of my life, I'm sick of all of your lies  
E Am G F  
I'm sick of all the little things you used to do with my mind  
F C  
'Cause you'll just do it again  
C Dm  
You just love to pretend to be innocent  
Dm Em F  
Fuck you, I think you're insignificant  
F C E  
Don't you look at my eyes, go and say your goodbyes  
E Am G Am  
You fucked up bad, and now you're wasting my time

[Segunda Parte]

Am F C  
You treated me wrong, I'm so glad you're gone  
C E  
Why can't I move on?  
Am F C  
You fill me with hate, you made my heart break  
C E  
Still, I can't escape  
Am E F C  
I tried and I tried, but I'm left dead inside  
E Am F C  
And you're killing me slowly without even knowing  
F C Dm  
Well, love is a cost, and both of us lost  
Dm Em  
It went on way too long  
F C E  
Like it never would end 'til the day that we're dead  
E Am G  
And both of us are gone  
F C Dm Em  
I tried and I tried, we both have lost our minds  
F C

I felt so sick to my stomach, but I know that you love it  
[Refrão]

F  
'Cause you'll just do it again  
F C  
Dm  
And you'll fuck all my friends, and you'll just fuck with my head  
Dm Em F  
And I'm so done with the mess you left embedded in lead  
F C E  
I want you out of my life, I'm sick of all of your lies  
E Am G F  
I'm sick of all the little things you used to do with my mind  
F C  
'Cause you'll just do it again  
C Dm  
You just love to pretend to be innocent  
Dm Em F  
Fuck you, I think you're insignificant  
F C E  
Don't you look at my eyes, go and say your goodbyes  
E Am G Am  
You fucked up bad, and now you're wasting my time

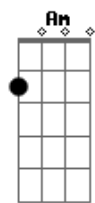

[Terceira Parte]

Am F  
You made my heart break and my stomach ache  
C E  
And in my mouth you left a terrible taste  
Am  
Why do I love you still?  
F C G  
I got physically ill from every shitty thing you made me feel  
Am G  
(Ahem) Yuh, and it's so cold, but what do I know?  
Em E  
I got somebody in my psyche hittin' high notes  
Am G  
I got nobody on my side, I'm a psycho  
Em E  
Might go at night, I'm a boy with a knife, woah  
Am G  
Thank God every night for my nice home  
Em E  
Even if I wish I'd die, I'm alright bro  
Am G  
Thoughts stay inside my mind with a light code  
Am F  
Life goes on and on

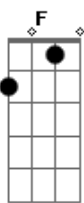

[Refrão]

F  
'Cause you'll just do it again  
F C  
Dm  
And you'll fuck all my friends, and you'll just fuck with my head  
Dm Em F  
And I'm so done with the mess you left embedded in lead  
F C E  
I want you out of my life, I'm sick of all of your lies  
E Am G F  
I'm sick of all the little things you used to do with my mind  
F C  
'Cause you'll just do it again  
C Dm  
You just love to pretend to be innocent  
Dm Em F  
Fuck you, I think you're insignificant  
F C E  
Don't you look at my eyes, go and say your goodbyes  
E Am G Am  
You fucked up bad, and now you're wasting my time
