

Olivia Dean - I Could Be A Florist

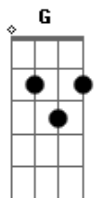

tom:
 I could be a florist
 'Round the corner from rye lane
 I'll be giving daisies to crazies
 But baby I'll wrap you up real safe
 Oh, I can give you flowers
 At the end of every day
 For the center of your table or rainbow
 In case you have people 'round to stay
 If you need to tell 'em sorry (sorry, my fault, it's okay)
 Then I'll have the right bouquet (right bouquet)

When words don't come so easy
 Believe me, you need these
 They know just what to say
 Oh, I could be a florist
 Put some life up in your space
 That little something missing
 I'll fix it, can't miss it
 I'm open every day
 That little something missing
 I'll fix it, can't miss it
 I'm open every day
