

Olivia Dean - So Easy (To Fall In Love)

```
tom:
                                                                  'Cause I'm into you quite intimately
                                                                     Bb7
                Cm
                                                                                      Fb7M
Intro: Fm7 Gm7
                                                                  And maybe one night could turn into three
                                                                      Em7
                                                                 Well, I'm down to see
 \ensuremath{\mathrm{I}} could be the twist, the one to make you stop
                                                                  [Refrão]
                         Fm7
 The icing on your cake, the cherry on the top
                                                        Fb7M
                                                                                      Fm7
                                                                                               Bb7
  There's heaven in my heart and we could find you some space
                                                                  'Cause I make it so easy to fall in love
Em7
                                                                     C7
                                                                                                    Bb7
                                                                                     Fm7
 Mmm
                                                                  So come give me a call and we'll fall into us
Bb7
                                                                         C7
                                                                                        Fm7
                                                                                                              B<sub>b</sub>7
  I could be the world to you, the missing piece
                                                                  I'm the perfect mix of Saturday night and the rest of your
                   Em7
  The extra sentimental kind of chemistry
                                                                   Cm7
                                                                  Anyone with a heart would agree
Some people make it hard, with me, that isn't the case
                                                                  Fm7
                                                                  It's so easy
