

Olivia Dean - So Easy (To Fall In Love)

```
And maybe one night could turn into three
                tom:
                Eb (forma dos acordes no tom de C )
                                                                     C7M
Capostraste na 3ª casa
                                                                 Well, I'm down to see
Intro: Dm7 Em
                                                                 [Refrão]
[Primeira Parte]
                                                                                  Dm7
                                                                                          G7
                                                                                                    Am7
                                                C<sub>7</sub>M
                                                                 'Cause I make it so easy to fall in love
    I could be the twist, the one to make you stop
                                                                                   Dm7
                                                                 So come give me a call, and we'll fall into us
The icing on your cake, the cherry on the top
                                                                        Α7
                                                                                       Dm7
                                                                 I'm the perfect mix of Saturday night and the rest of your
   There's Heaven in my heart, and we could find you some
                                                                 Anyone with a heart would agree
space
                                                                 Dm7
Α7
Mm - mm
                                                                 It's so easy
F7M
                                                                    Fm7
    I could be the world to you, the missing piece
                                                                 To fall in love with
                                 Α7
The extra sentimental kind of chemistry
                                                                 [Ponte]
Some people make it hard, with me, that isn't the case
                                                                 F7M
[Refrão]
                                                                 C7M
                                                                 Me
                                                                 F7M C7M
                         G7
                                   Am7
                 Dm7
'Cause I make it so easy to fall in love
                                                                 Me
                 Dm7
                                                                 F7M
So come give me a call, and we'll fall into us
                                                                  It's so easy
                                                                 C7M
                     Dm7
       Α7
                                                                 It's so easy
I'm the perfect mix of Saturday night and the rest of your
                                                                 F7M
                                                                 It's so easy
Anyone with a heart would agree
                                                                  C7M
                                                                 Yeah
Dm7
It's so easy
                                                                 [Refrão]
To fall in love with
                                                                              G7
                                                                 So easy to fall in love
[Segunda Parte]
                                                                    Α7
                                                                                   Dm7
                                                                 So come give me a call, and we'll fall into us
 The way I do my hair, the way I make you laugh
                                                                        A7
                                                                                       Dm7
                                                                 I'm the perfect mix of Saturday night and the rest of your
                        A7
   The way we like to share a walk in Central Park
                                                                 life
                                                                    Am7
    I could be fresh air, might be the girl of your dreams
                                                                 Anyone with a heart would agree
There's no need to hide if you're into me
                                                                 It's so easy
       C7M
                                                                    Fm7
'Cause I'm into you quite intimately
                                                                 To fall in love with me
Acordes
                                 Еb
                                                             D<sub>n</sub>7
                                                                                                                    G7
                                                                          En
