

Olivia Newton-John - Hands Across The Sea

Tom: **C**

(Findon / Wilkins)

G **C** **F** **C**
And there'll be hands, hands across the sea
F **C** **F** **C**
Touching everybody, joining you and me

Am **F**
If we could build a new horizon

C
I'd like to see some changes made

Am **Em**
When nations hear the voice of reason

F **G**
And all the world live unafraid

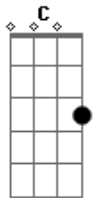

G **C** **F** **C**
And there'll be hands, hands across the sea

F **C** **F** **G**
People joined as one, innocent and free
G **C** **F** **C**
And we'll have love, love and sympathy
F **C** **F** **C**
Touching everybody, joining you and me

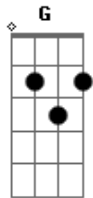

If we could share that new tomorrow
You with your troubles, me with mine
Then we could face the world together
With open heart and easy mind

And there'll be hands, hands across the sea
People joined as one, innocent and free
And we'll have love, love and sympathy
Touching everybody, joining you and me
Hands across the sea
Hands across the sea
