

Olivia Newton-John - I Honestly love You

Tom: C

1. Maybe I hang around here a little more than I should,
we both know I got somewhere else to go.
But I got something to tell you, that I never thought I would,
but I believe you really ought to know.
I love you, I honestly love you.
2. You don't have to answer, I see it in your eyes,
maybe it was better left unsaid.
This is pure and simple, and you must realize,
that it's coming from my heart and not my head.
I love you, I honestly love you.

I'm not trying to make you feel uncomfortable,
I'm not trying to make you anything at all,
but this feeling doesn't come along everyday,
and you shouldn't blow the chance,
when you've got the chance to say :
I love you, I love you, I honestly love you.
If we both were born in another place and time,
this moment might be ending in a kiss.
But there you are with your heart, and here I am with mine,
so I guess we'll just be leaving it at this.
I love you, I honestly love you,
I honestly love you.
