Tom: **D**

Olivia Newton - John (duet with Andy Gibb)

**D**  
 Maybe you don't know me anymore than I know you  
 And I wouldn't blame you if you walked away **A**  
**A7**  
 I've been watching you all evening  
 With the teardrops in your eyes  
**A7sus4** **A7** **D**  
 And it touches me much more than I can say  
**D**  
 You know I hate to think that someone  
**D7M**  
 Could have hurt someone like you  
**D7** **D7sus4** **G**  
 And at times like this I'd be right by your side  
**A** **D**  
 Lay your troubles on my shoulders  
**Gbm** **G**  
 Put your worries in my pocket  
**A** **D**  
 Rest your love on me awhile  
**G** **A** **D**  
 Lay your troubles on my shoulders  
**Gbm** **G**  
 Put your worries in my pocket  
**A** **D** **E**  
 Rest your love on me awhile  
**A**  
 Saw you in the corner on the moment I walked in  
**E**  
 Saw your lonely face across the room  
 No, I won't forget it  
**E**  
 And the way it might have been  
**E7** **E7sus4** **A**  
 Oh, why did you have to leave so soon?

**A**  
 You know I hate to think that someone  
**A7M**  
 Could have loved you more than me  
**A7** **A** **D**  
 And if I was them I'd be right by your side  
**E** **A**  
 Lay your troubles on my shoulders  
**Dbm** **D**  
 Put your worries in my pocket  
**E** **A**  
 Rest your love on me awhile  
**D** **E** **A**  
 Lay your troubles on my shoulders  
**Dbm** **D**  
 Put your worries in my pocket  
**E** **A**  
 Rest your love on me awhile  
**E**  
 How long must I wait  
 For the last train to leave here  
**D**  
 And the last chance to go home?  
**A** **E** **A**  
 Get to thinking I was born too soon  
**E**  
 How long, honey  
 When the lovin' don't come  
**D**  
 It was there when you left me  
**A** **E** **A**  
 Just didn't know how to begin  
 Lay your troubles on my shoulders  
 Put your worries in my pocket  
 Rest your love on me awhile  
 Lay your troubles on my shoulders  
 Put your worries in my pocket  
 Rest your love on me awhile
