You say you built up walls G Gb
Baby, I built myself up a whole goddamn house Bm E7
It's a hundred feet tall G Gb
Don't even try to break in, it's made to keep you out Bm7 E7

[Pré-Refrão]

Every time I let somebody in G
They let me down, I can't come out again Gb
And I build up the walls a little higher Bm7 E7
So I'm sorry if I don't believe your shit G
I just think I might be runnin' out of bricks Gb
'Cause it turns out that everyone's a liar Bm7 E7

[Refrão]

Em G
Like I lied when I said I don't care Bm7 A
And you lied when you told me you did Em G
We lied to each other and it isn't fair Bm7 A
We lied to each other G Gb
And I'd do it again

[Segunda Parte]

I know if I saw you right now Bm7
I would run away fast E7
Or say, "I just wanna be friends" G Gb
So you don't figure out that my walls are just glass Bm7 E7

[Pré-Refrão]

The problem is that there's a difference G

You're a criminal and I am innocent Gb
You're beautiful but the truth is ugly Bm7 E7
I never had your bad intentions G
I just kinda sorta didn't mention Gb
That I want you 'cause I know you'll never love me Bm7 E7

[Refrão]

[Ponte]

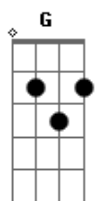

The only explanation G
For this sad situation Gb

I don't think I'm worthy G
Don't think I'm deserving Gb
Of love, that's why I play these games Bm7 E7
