tom: Ab

Ab  
Yeah you must think you're funny  
Fm  
Calling him at 10 o'clock  
You think he thinks you're pretty  
I can guarantee he does not  
Ab  
I know you see me  
Fm  
Do you think that you can win this game?  
Ab  
Yeah you must think you're so attractive  
Fm  
When you're playing dumb  
The only thing you're showing him  
Ab  
Is how desperate you've become  
I hope you trip over the boundaries  
Fm  
That you step right over  
Db  
But go ahead and shoot your shot  
Eb

Baby let me know how it goes  
Db Eb  
Know him better than you thought  
And I think you should know  
Ab  
You're his apocalyptic crush  
Fm  
He'd like you only if there was  
Db  
No one left on Earth  
Eb  
Babe I'm sorry if that hurts  
Ab  
But he's mine until then  
Ab  
You're his apocalyptic crush  
Fm  
If we all died you'd be the one  
Db  
Who'd get to kiss him in the ashes  
Eb  
So hey, what are the chances  
Db  
For a World War 3?  
Eb  
'Cause he's never gonna like you  
Ab  
Like he likes me
