

# Olivia Rodrigo - Baby Is You

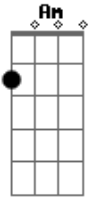

tom:  
 I know you're with somebody new  
 But I can't write a song that's not all about you  
 It's not fair baby  
 How come it's so easy?  
 For you to forget everything you said?  
 Like how I was the best girl you'd ever met  
 Guess you take it back  
 Should've expected that

But when I say I'm fine I'm lying really well  
 'Cause I can't love anyone else  
 And I'm so jealous that you can  
 Scared I'll never feel that again  
 'Cause I still can't call anyone baby  
 'Cause baby is still you to me  
 Don't you think I wanna move on to?  
 But I can't love anyone the way  
 The way I loved you
