

# Olivia Rodrigo - Begged

tom:

Ab (forma dos acordes no tom de G )

Capostrate na 1ª casa

All that I want<sup>G</sup>  
 Is to know undoubtably<sup>D</sup>  
 That you just have eyes for me<sup>C</sup>  
 Could you make it clear?<sup>G</sup>  
 All that I want<sup>D</sup>  
 Is to sit here, silently<sup>C</sup>  
 And watch movies on TV  
 What a shame you're not here<sup>G</sup>  
 Here to witness my devotion<sup>D</sup>  
 And my endless well of needs<sup>G</sup>  
 Im an anchor in the ocean<sup>C</sup>  
 You know, I could never leave<sup>D</sup>  
<sup>G</sup>  
 So i'm patient you're learning  
 Pretend it's not hurting<sup>D</sup>  
 Ooooooh  
 Cause they say it's a virtue<sup>C</sup>  
 To not let good love slip away (way)<sup>Cm</sup>  
<sup>G</sup>  
 So i'm cool and forgiving  
 I'il take what you're giving<sup>D</sup>  
 Oooooooh  
 But nothing's quite enough<sup>C</sup>  
 When I know that to get it I begged<sup>Cm</sup>  
<sup>G</sup>

Yeah, to get it I begged  
<sup>G</sup>  
 And I have this thought<sup>D</sup>  
 When I lay in bed at night<sup>C</sup>  
 I feel trapped inside my life  
 Is it a normal thing<sup>G</sup>  
 To fight back the waves<sup>D</sup>  
 Of a static lovers dread<sup>C</sup>  
 I'm overwhelmed, i'm underfed  
 And yet I still cling (cling)<sup>G</sup>  
 Cling to hope like snow on mountains<sup>D</sup>  
 Careless words melt it away<sup>G</sup>  
 I'm a penny in a fountain<sup>C</sup>  
 Just waiting on my luck to change<sup>D</sup>  
<sup>G</sup>  
 So i'm patient you're learning  
 Pretend it's not hurting<sup>D</sup>  
 Ooooooh  
 Cause they say it's a virtue<sup>C</sup>  
 To not let good love slip away (way)<sup>Cm</sup>  
<sup>G</sup>  
 So i'm cool and forgiving  
 I'il take what you're giving<sup>D</sup>  
 Oooooooh  
 But nothing's quite enough<sup>C</sup>  
 When I know that to get it I begged<sup>Cm</sup>  
<sup>G</sup>  
 Yeah, to get it I begged
