[Segunda Parte]

[Primeira Parte]

G
All that I want
Is to know undoubtedly
That you just have eyes for me
Could you make it clear?

G
And I have this thought
When I lay in bed at night
That I feel trapped inside my life
Is that a normal thing
To fight back the waves

G
All that I want
Is to sit here silently
And watch movies on TV
What a shame, you're not here

D
Of a static lover's dread?
I'm overwhelmed, I'm underfed
And yet I still cling
