Intro: Am7 C F7M
Am7 C F7M
                                                                                                                                                                                 Through wading grass, the months will pass
                                                                                                                                                                                 Am7 C F7M
You'll feel it all around
[Primeira Parte]
                                                                                                                                                                                     Am7 C F7M
                                                                                                                                                                                                                                                                                                 Dm
                                                                                                                                                                                 I'm here, I'm there, I'm everywh?re but you can't catch me now
                                              С
There's blood on the side of the mountain
Am7 C F7M
There's writin' all over the wall
                                                                                                                                                                                No, you can't catch me now
Am7 C F7M
                                                                                                                                                                                 [Pós-refrão]
Shadows of us are still dancin'
                                                                                                                                                                                                    Am7 C F7M
                                                                                                                                                                                 Ooh-ooh-ooh
In every room and every hall
Am7 C F7M
                                                                                                                                                                                                    Am7 C F7M
                                                                                                                                                                                 Ooh-ooh-ooh
The snow fallin' over the city
Am7
C
                                                                                                                                                                                                   Am7 C F7M
                                                                                                                                                                                 Ooh-ooh-ooh
You thought that it would wash away
                                                                                                                                                                                         Dm
Am7 C F7M
                                                                                                                                                                                 Ooh-ooh-ooh
The bitter taste of my fury
                                                                                                                                                                                 [Ponte]
And all of the messes you made
                                                                                                                                                                                         Em
Yeah, you think that you got away
                                                                                                                                                                                  You can't, you can't catch me now
                                                                                                                                                                                                                          G
                                                                                                                                                                                 I'm comin' like a storm into your town
[Refrão]
                                                                                                                                                                                                         Em F7M
                                                                                                                                                                                 You can't, you can't catch me now
But I'm in the trees, I'm in the breeze % \left( 1\right) =\left( 1\right) \left( 1\right)

                                                                                                                                                                                                        Em F7M
                                                                                                                                                                                 You can't, you can't catch me now
                                                                                                                                                                                                                                                Am7 C F7M
[Segunda Parte]
                                                                                                                                                                                 You can't, you can't, you can't
Bet you thought I'd never do it
                                                                                                                                                                                 ( Am7 C F7M )
Am7 C F7M
Thought it'd go over my head
                                                                                                                                                                                 [Final]
I bet you figured I'd pass with the winter
                                                                                                                                                                                                      Am7
                                                                                                                                                                                 There's blood on the side of the mountain
                                                              G
Be somethin' easy to forget
                                                                                                                                                                                 $\operatorname{Am7}$ C $\operatorname{F7M}$ It's turnin' a new shade of red
Oh, you think I'm gone 'cause I left
                                                                                                                                                                                 Yeah, sometimes the fire you founded
[Refrão]
                                                                                                                                                                                 Don't burn the way you'd expect
                    Am7 C
                                                                   F7M
But I'm in the trees, I'm in the breeze ${\rm Am7}$ C {\rm F7M}
                                                                                                                                                                                 Yeah, you thought that this was the end
My footsteps on the ground
Acordes
