

Olivia Rodrigo - Drivers License

tom:

Bb

[Primeira Parte]

Bb
I got my driver's license last week
Just like we always talked about
Cause you were so excited for me
To finally drive up to your house
But today I drove through the suburbs
Crying 'cause you weren't around
And you're probably with that blonde girl
Who always made me doubt
Gm
She's so much older than me
She's everything I'm insecure about
Eb
Yeah, today I drove through the suburbs
Bb
'Cause how could I ever love someone else?

[Refrão]

Eb **F**
And I know we weren't perfect
Gm **Eb** **Bb**
But I've never felt this way for no one
Eb **F** **Gm** **Eb**
And I just can't imagine how you could be so okay
Bb
Now that I'm gone
Gm **F** **Bb**
Guess you didn't mean what you wrote
Dm **Eb**
In that song about me
Cause you said forever
F **Bb**
Now I drive alone past your street

[Segunda Parte]

Bb
And all my friends are tired
Of hearing how much I miss you, but
Gm
I kinda feel sorry for them
Cause they'll never know you the way that I do, yeah
Eb
Today I drove through the suburbs
Bb
And pictured I was driving home to you

[Refrão]

Eb **F**

And I know we weren't perfect
Gm **Eb** **Bb**
But I've never felt this way for no one
Eb **F** **Gm** **Eb**
And I just can't imagine how you could be so okay
Bb
Now that I'm gone
Gm **F** **Bb**
Guess you didn't mean what you wrote
Dm **Eb**
In that song about me
Cause you said forever
F **Bb**
Now I drive alone past your street

[Ponte]

Gm
Red lights, stop signs
Eb
I still see your face in the white cars, front yards
F **Gm**
Can't drive past the places we used to, go to
Eb **Bb**
Cause I still fuckin' love you, babe
F
Ooh oh oh oh oh oh
Gm
Sidewalks we crossed
F **Eb**
I still hear your voice in the traffic
F
We're laughing over all the noise
Gm
God I'm so blue, know we're through
Eb **Bb**
But I still fuckin' love you, babe
F
Ooh oh oh oh oh oh

[Refrão]

Eb **F**
And I know we weren't perfect
Gm **Eb** **Bb**
But I've never felt this way for no one
Eb **F** **Gm** **Eb**
And I just can't imagine how you could be so okay
Bb
Now that I'm gone

In that song about me

Now I drive alone past your street
