

Olivia Rodrigo - Drivers License

tom:

Bb

[Primeira Parte]

Bb

I got my driver's license last week

Just like we always talked about

Cause you were so excited for me

To finally drive up to your house

But today I drove through the suburbs

Crying 'cause you weren't around

And you're probably with that blonde girl

Who always made me doubt

Gm

She's so much older than me

She's everything I'm insecure about

Eb

Yeah, today I drove through the suburbs

Bb

'Cause how could I ever love someone else?

[Refrão]

Eb F

And I know we weren't perfect

Gm Eb Bb

But I've never felt this way for no one

Eb F Gm Eb

And I just can't imagine how you could be so okay

Bb

Now that I'm gone

Gm F Bb

Guess you didn't mean what you wrote

Dm Eb

In that song about me

Cause you said forever

F Bb

Now I drive alone past your street

[Segunda Parte]

Bb

And all my friends are tired

Of hearing how much I miss you, but

Gm

I kinda feel sorry for them

Cause they'll never know you the way that I do, yeah

Eb

Today I drove through the suburbs

Bb

And pictured I was driving home to you

[Refrão]

Eb F

And I know we weren't perfect

Red lights, stop signs

Eb

I still see your face in the white cars, front yards

F Gm

Can't drive past the places we used to, go to

Eb Bb

Cause I still fuckin' love you, babe

F

Ooh oh oh oh oh oh

Gm

Sidewalks we crossed

F Eb

I still hear your voice in the traffic

F

We're laughing over all the noise

Gm

God I'm so blue, know we're through
