

Olivia Rodrigo - Enough For You

tom:
 I wore makeup when we dated
 'Cause I thought you'd like me more
 If I looked like the other prom queens
 I know that you loved before
 Tried so hard to be everything that you liked
 Just for you to say you're not
 The compliment type
 And I knew how you took your coffee
 And your favorite songs by heart
 I read all of your self-help books
 So you'd think that I was smart
 Stupid, emotional, obsessive little me
 I knew from the start
 This is exactly how you'd leave
 You found someone more exciting
 The next second you were gone
 And you left me there crying
 Wondering what I did wrong
 And you always say I'm never satisfied
 But I don't think that's true
 'Cause all I ever wanted was

To be enough for you

(G Em)
 There's nothin' left for me to know
 I had to stay, you had to go
 And it was mean, but it doesn't
 Matter anymore, though
 There's nothin' left for me to sing
 I screamed, I cried, I did the whole
 Thing
 And I loved you mad, but
 It doesn't matter anymore, no
 I was half myself without you
 Now I feel so complete
 And if I'm not enough for you
 You're not enough for me
 I fought a million battles
 But you can't get to me now
 You're just a stranger I know
 Everything about, ooh, ooh
 You're just a stranger I know
 Everything about
 You're just a stranger I know
 Everything about

Acordes
