[Primeira Parte]

Know that I loved you so bad

I was your willing accomplice, honey

Gbm
One heart broke, four hands bloody

[Refrão]

E
The things I did

D
Just so I could call you mine

E
The things you did

D
Well, I hope I was your favorite crime

[Segunda Parte]

A
You used me as an alibi

A
I crossed my heart as you crossed the line

Gbm
And I defended you to all my friends

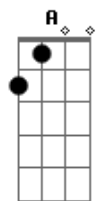

A
And now, every time a siren sounds

A
I wonder if you're around

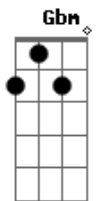

Gbm
'Cause you know that I'd do it all again

[Refrão]
