

Olivia Rodrigo - honeybee

tom: E (forma dos acordes no tom de D) Capotraste na 2ª casa [Intro] Em A D G

[Primeira Parte]

So I guess that it's true
Time can heal even the worst of wounds
And the clichés I knew
Seemed so commonplace when I saw you

Let's just walk in the dark
Hop the fence in the park
Baby boy, honeybee
God, I love the way you look at me

[Refrão]

And it's too hard
To describe this
In a way that feels honest
But even when I'm quiet
I love you, baby, I promise

And I hope I never see what
Your face looks like going
A face I swear that I could
Spend my whole life knowing
He____re's to hoping

[Segunda Parte]

Pick me up, walk me home
And it feels like God threw me a bone
Sticky sweet, tangerine
Would you sit and keep me company?

In the dark, I'm not scared
I just reach and you're right there
Shooting stars, racing cars
Everything I own just

Feels like ours

[Refrão]

And it's too hard
To describe this
In a way that feels honest
But even when I'm quiet
I love you, baby, I promise
And I hope I never see what
Your face looks like going
A face I swear that I could
Spend my whole life knowing
He____re's to hoping
