

Olivia Rodrigo - I Think I Kinda, You Know

tom: C

So much has happened, think of
What we've done
And the time that the Earth
Has traveled 'round the Sun
Winter, spring, summer an'
We're back to fall
We've been together
Hand-in-hand through it all
From the minute we kissed and my
Heart skipped a beat
To the night that we danced, I
Was swept off my feet
Sure is every year has to
Come to an end
I'd go spinnin' 'round the Sun
With you again and again and
Again and again

I think I kinda, you know
I think I kinda, you know
Like the way that we flow
Like the way that we go
And I love

I think I kinda, you know
I think I kinda, you know
I think I kinda, you know
Like the way that we flow
Like the way that we go
And I love

I think I kinda, you know
You know, you know
I think I kinda, you know
I think I kinda, you know
Like the way that we flow
Like the way that we go
And I love

I think I kinda, you know
I think I kinda, you know
Mm, I think I kinda, you know
You know, you know
You know how we can talk all night
And not run outta things to talk about
It's rare that somethin'
Feels this right
It feels so right

I think I kinda, you know
I think I kinda, you know
You know, you know
I think I kinda, you know
Oh, I think I kinda, you know
I think I kinda, you know
You know, you know

I can't help dreamin' of you
Guess I'm sayin' I don't not love you
You know, you know, you know
