C You bought me coffee just to spill?it?on yourself
F But you never?take things seriously
G It's kinda why I?like you so much honestly
C I wrote a note and left?it?folded?in your pocket
C You?taped it to?your wall in your New York apartment
F Kissing in the taxi cab
G 'Til the driver gives us dirty looks back
C Oh, it's l-o-v-e

You're crazy
F But it's not in a bad way
Dancing on the highway
G You make me feel older than 17
C Yeah, this is l-o-v-e
C Or something really close
Hey baby
F I think you're really dope
I honestly don't know why
G I should ever leave your side
'Cause this is love, right?
[Final] C
