I feel it again, edge of the bed

Like, every night

[Refrão 1]

Bb Gm  
You say you can't stand to

Cm F7  
Watch me cry a minute more

Bb Gm  
So you do the noble thing

Cm F7  
And open up the door

Bb Bb  
If loving me means letting go

Bb G7  
And wishing me the best

Cm  
Then I guess

F7 Bb  
I wish, I wish, I wish you loved me less

( A7 Cm F7 )

[Segunda Parte]

Gm Cm Eb  
We tried to recreate our favorite date

But we didn't laugh much this time

This isn't what it should feel like

Dm Cm  
And maybe I'm a stubborn overthinker

F F  
But I've been thinkin' over this a lot

[Refrão 2]

Bb Gm  
And I could try convincing you

Cm F7  
They're just intrusive thoughts

Bb Gm  
But you've seen me truly happy

Cm F7  
So you know right now I'm not

Bb  
If loving me means

Bb Bb G7  
Cryin' on the curb at LAX

Cm  
Well, then I guess

I wish, I wish, I wish you loved me less

( A7 Cm F7 )

[Interlúdio] Eb Gm Dm Gm

Babe, I think this is the end
