The way it all unraveled

And all the things you did to me

You lied, you lied, you lied, oh

Two plus two equals five

Logical, logical

Love is never logical
^{Em}
I know I'm half responsible

And that makes me feel horrible
^C
Oh, logical, logical

Love is never logical
^G
I know I could've stopped it all

God, why didn't I stop it all?
^G
Oh, logical, logical

Love is never logical
^{Em}
I know I'm half responsible

And that makes me feel horrible
^C
Oh, logical, logical

Love is never logical
^G
I know I could've stopped it all
^C
God, why didn't I stop it all?
